Llandrindod shoppers select local theatre as winner!

Every Tesco shopper will have noticed the blue disc container, usually placed by the door, where shoppers can select one of three local, worthy causes to win a Tesco Community Fund award by placing a disc in the slot of their choice. Between September, and December one of the three causes put to the public's vote was Llandrindod's community owned theatre. The Albert Hall gained the highest number of votes, and was recently awarded £1,500.

Tesco's Community Grants scheme – previously Tesco Bags of Help – has already provided over £100 million to more than 50,000 projects across Britain.

The theatre, which is run by a small volunteer group, and is a registered charity, will use the funds to make improvements to their meeting room, and smaller function space, The Lesser Hall.

“We are planning to purchase a set of Folding Tables, and a Sound System for our multi-use room, The Lesser Hall.” Said a spokesperson from The Albert Hall. “By having this equipment, our spaces will be more useable by members of our local, and wider community, and we can put on more community events within this beautiful building.” “We would like to thank Tesco for the opportunity to feature in this fantastic scheme, and more importantly, we'd like to thank the Tesco shoppers that voted for us.”

You can find out more about The Albert Hall on it's website, <https://thealberthall.co.uk>
